Management

PART OF THE ICM GROUP OF COMPANIES

## Inter-Continental Management Limited (ICM)

ICM was established in 1984 and is part of the ICM Group of companies. We specialise in corporate solutions for asset ownership, registration and control. Services include:

- company incorporation, administration and asset registration
- implementation of effective corporate ownership structures
- provision of full or partial VAT, accounting and payroll services
- an in depth knowledge of asset import and export scenarios and solutions
- access to our Treasury department's banking contacts

## The Isle of Man Space Industry

The Isle of Man is well established as one of the leading jurisdictions for space commerce and is already home to many key players. Financial and regulatory advantages include:

- a supportive Government department dedicated to Space Commerce
- the establishment of an Isle of Man Space Registry
- a centre of excellence for international financial services
- the world's first zero tax rate on space activities
- no insurance premium tax for Isle of Man companies
- significant financial incentives and grants available

## ICM Space

ICM Space has been specifically designed to enable space and satellite companies to take advantage of the Isle of Man's legal framework and financial infrastructure. We are a member of the Isle of Man Space Forum and can:

- organise the registration of satellites with UK and Isle of Man Space Registries
- assist in securing orbital filing slots in conjunction with ManSat and the ITU
- make introductions through the International Space University in Strasbourg and industry conventions worldwide
- source finance for satellite development and launch
- utilise our relationships with specialist insurance providers

## Legal Services

ICM Space works closely with Dougherty Quinn (DQ), a leading Isle of Man law practice, heavily involved in the space industry. Its lawyers have attended the International Space University and acted on behalf of some of the leading players. The Head of DQ's Space Team, Tom Maher was founding Chairman of the Isle of Man Space Industry Forum and regularly contributes to Satellite Finance. Services offered include:

- contract negotiation
- advice on leasing structures/transactions
- regulatory advice
- advice on all aspects of business in the Isle of Man including corporate law, employment and HNWI planning
